'CROW' FLIES HIGH

Steve Martin's "The Crow" logs a 28th week at No. 1 on Top Bluegrass Albums, the third-longest No. 1 run since the chart launched in July 2002. Two Alison Krauss sets are the only titles to post more weeks at the summit, led by "Live,"

which logged the last of 101 weeks atop the Nov. 13, 2004, chart. Krauss spent 55 weeks at No. 1 with "Lonely Runs Both Ways" from 2004 to 2006. Martin is Billboard's top bluegrass artist for 2009, while "The Crow" led the year-end bluegrass albums roundup and helped lift Rounder to No. 1 on the bluegrass label recap (Billboard, Dec. 19).

REBA'S BIGGEST EVER

Almost 34 years after her Billboard chart debut, Reba McEntire posts her longest No. 1 stand, as "Consider Me Gone" spends a third week atop Hot Country Songs. She hasn't held at No. 1 for two consecutive weeks since "If You See Him/If You See Her" (with Brooks & Dunn) in June 1998; her most recent solo cut to reign that long was "Is There Life Out There" in March 1992. Besides

Carrie Underwood and Taylor Swift, McEntire is the only solo female artist to lead Country Songs since Sara Evans, Faith Hill and Jo Dee Messina each scored No. 1s in 2005. - Wade Jessen

BETWEEN THE BULLETS

'MORE' FOR CORBIN

Although Top Country Albums shows only a few bullets during the post-holiday retail slump, rookie country traditionalist Easton Corbin's 6% increase is good enough for Greatest Gainer stripes. His "A Little More Country Than That" EP moves roughly 1,000 copies and bounces 62-47. On Top Heatseekers Al-

burns, the set pops on at No. 30, while the title track gains 1.1 million impressions and bullets at No. 19 on Hot Country Songs. The tune has amassed 130 million audience impressions since its bow on the Aug. 22, 2009, tally. Corbin's self-titled debut album is due March 2. -Wade Jessen

'VOICE' RISES

Tim McGraw scores his first No. 1 in nearly three years on Hot Country Songs with "Southern Voice," which is featured in the film "The Blind Side." He last notched top ink when "Last Dollar (Fly Away)" led the April 14, 2007, chart. "Voice" is the first No. 1 for McGraw's label (Curb) since Rodney Atkins led for

two weeks last May with "It's America." The new No. 1 brings McGraw's total to 23. He first ruled the chart with "Don't Take the Girl" in May 1994. Since that time, no artist has logged more No. 1 songs on the list. Only George Strait comes closest-with 19-during that span. —Wade Jessen

'HEART' IS HOT SHOT

The "Crazy Heart" film soundtrack bags the Hot Shot Debut on Top Country Albums, where it opens at No. 6 with 11,000 copies sold, the first top 10 start by a soundtrack on this chart since "Hannah Montana: The Movie" entered at No. 1 last

May. The "Crazy Heart" collection sports four songs by lead actor Jeff Bridges, including a duet with actor Colin Farrell, who also contributes a solo track. The soundtrack relies heavily upon classic country fare from artists including Kitty Wells and George Jones. Alt-country performers on the set include Lucinda Williams and Ryan Bingham.

'AMERICAN' LADY

As the album's second single, "American Honey," crosses the Airpower threshold on Hot Country Songs (20-17), Lady Antebellum's "Need You Now" opens atop the Billboard 200 and Top Country Albums (see Over the Counter, page 37). On the country chart the trio's debut album gains

7,000 copies over the prior week, good for Greatest Gainer applause at No. 3, marking the first time in 18 months that any duo or group has placed two sets simultaneously in the top five. That hasn't happened since Aug. 16, 2008, when Sugarland ranked at No. 1 with "Love on the Inside" and at No. 5 with "Enjoy the Ride."

CORBIN'S 'COUNTRY'

Traditional country singer Easton Corbin achieves his first top 10 on Hot Country Songs, as "A Little More Country Than That" gains 902,000 audience impressions and jumps 11-9. He's the first artist to reach the top 10 with a de-

but single since Love and Theft peaked at No. 10 in October with "Runaway." Corbin's "Country" is also the highest-ranking debut single by a rookie since Zac Brown Band's "Chicken Fried" spent two weeks at No. 1 in December 2008. Corbin's self-titled full-length debut album is available March 2 and follows a digital EP sampler released in late December. —Wade Jessen

BLUEGRASS BUZZ

Old-time string trio Carolina Chocolate Drops makes its second appearance on Top Bluegrass Albums, where "Genuine Negro Jig" becomes the act's first No. 1 with 3,000 copies sold.

The threesome previously charted with "Dona Got a Ramblin' Mind," peaking at No. 7 on the July 21, 2007, chart. The band is the only African-American act to appear on the Bluegrass list since its introduction eight years ago. In 2008, the Drops became the first African-American string band to appear on the Grand Ole Opry since the show debuted in 1925. —Wade Jessen

NEW MAN IN TOWN

Newcomer Josh Thompson logs the first top 10 start by a new artist on Top Country Albums in six months, as "Way Out Here" arrives at No. 9 with 15,000 copies sold. He's the first rookie to open inside the top 10 since Love and Theft's

No. 10 bow with "World Wide Open" on the Sept. 12, 2009, chart (13,000 copies). Among new solo male artists, Thompson's start is the highest since Justin Moore's self-titled, full-length debut set opened with 34,000 copies atop the Aug. 29, 2009, list. Thompson's lead single, "Beer on the Table," peaked at No. 17 on the Feb. 27 Hot Country Songs chart. -Wade Jessen

ROOKIES RULE

For the first time since the Top Country Albums chart started using Nielsen SoundScan data in 1991, two new artists simultaneously debut inside top five as Danny Gokey's "My Best Days" (No. 3, 65,000) and Easton Corbin's self-titled full-length (No. 4, 43,000) arrive. Gokey's entry is also the

best opening sales week for a rookie male since Billy Ray Cyrus' "Some Gave All" moved 90,000 in 1992. Meanwhile, Blake Shelton's "Hillbilly Bone" starts at No. 2 (see Over the Counter, page 53) with his sixth top five album and his second-best sales week: 71,000 copies sold. —Wade Jessen

SHELTON'S SIXTH NO. 1

Up 1.2 million impressions, Blake Shelton's "Hillbilly Bone" becomes his sixth No. 1 and first in more than a year on Hot Country Songs. He most recently topped the chart

when "She Wouldn't Be Gone" spent two weeks at No. 1 in January and February 2009—also the last time Warner Music Nashville topped the list. "Bone" is the first appearance at No. 1 in almost two years for its featured artist Trace Adkins, who landed his third No. 1 with "You're Gonna Miss This" in April 2008.

WHAT'S NEW?

Easton Corbin is the first male newcomer to reach No. 1 on Hot Country Songs with a debut single in six-and-a-half years, as "A Little More Country Than That" steps 2-1. No male rookie has done so since Dierks Bent-

ley's "What Was I Thinkin' " in September 2003. Gretchen Wilson was the most recent female newcomer to manage the feat ("Redneck Woman," 2004). The Wreckers' "Leave the Pieces" was the most recent No. 1 debut track by a new duo in 2006. Corbin's song is the first No. 1 debut single by any act since Zac Brown Band's "Chicken Fried" in November 2008.

'HOME' SWEET HOME

Up 1.7 million impressions (5%), Carrie Underwood gets her ninth chart-topper on Hot Country Songs, as "Temporary Home" steps 2-1. Since her first leader, "Jesus, Take the Wheel," logged six weeks at No. 1 in

2006, the only other solo females to dominate are Taylor Swift (four times) and Reba McEntire (once).

Underwood is now the first solo female to claim three consecutive studio sets with at least two No. 1s apiece on Hot Country Songs since McEntire rolled out four such sets between 1986 and 1989. -Wade Jessen 3 4

'RIDE' TO THE TOP

Zac Brown Band claims its third No. 1 (and second straight leader) on Hot Country Songs, as "Highway 20 Ride" steps 2-1. The act spent two weeks atop the chart with "Chicken Fried" in December 2008, followed by

a No. 2 peak with "Whatever It Is" and then two weeks at No. 1 with "Toes." The new leader marks the most turnover atop the chart in more than 15 years, following four separate titles that each spent one week at No. 1. The chart hasn't churned this many No. 1s since November/December 1994, when it rotated through five new No. 1s in five weeks. -Wade Jessen

BETWEEN THE BULLETS

MUSICAL CHAIRS

With a sixth No. 1 in as many weeks, the turnover atop Hot Country Songs continues at a pace not seen in more than 16 years, as Lady Antebellum's "American Honey" steps 2-1. The tally hasn't had this many chart-toppers since Novem-

ber and December 1993, when Reba McEntire, Brooks & Dunn, Mark Chesnutt, Alabama, Garth Brooks and Tracy Lawrence each spent one week at No. 1. This run of six one-week leaders still holds the record for the most turnover during the Nielsen BDS era (since January 1990) and will be matched next issue if "Honey" is replaced by a new No. 1.

BIG BOWS FOR VETS

A pair of Country Music Hall of Famers make waves on Top Country Albums, where Willie Nelson's "Country Music" (18,000 copies) and Merle Haggard's "I Am What I Am" (7,000) bow at Nos. 4 and 18, respectively. This is Nelson's best

solo rank since his No. 2 peak with "A Horse Called Music" in October 1989; Haggard hasn't perched this high with a solo set since "Chill Factor" reached No. 8 in March 1988. Nelson's alburn was featured on several Sirius XM channels during the Nielsen SoundScan tracking week, while Haggard's set was profiled on NPR's April 22 "Morning Edition." -Wade Jessen

BETWEEN THE BULLETS

'MIRACLES' HAPPEN

With her best sales week in six years, Mary Chapin Carpenter's "The Age of Miracles" bows at No. 6 on Top Country Albums and No. 28 on the Billboard 200 with 13,000 copies,

according to Nielsen SoundScan. She last scanned more in a week when "Between Here and Gone" shifted more than 19,000 in its first two frames in May 2004.

The strong debut of her latest release—which also enters Top Folk Albums at No. 1 (see billboard.biz/charts)-was fueled by a May 1 performance on CBS' "Early Show."

'WANT TO BE' NO. 1?

Chris Young interrupts a two-week run at No. 1 by fellow traditional stylist Joe Nichols on Hot Country Songs, where "The Man I Want to Be" (35.2 million audience impressions, up 2 million) steps 2-1. The new leader is Young's second, fol-

lowing "Gettin' You Home," which crowned the Oct. 24, 2009, chart. Nielsen BDS reports a dip of 1.6 million impressions for Nichols' track, which ranks at No. 2 with 34.7 million. Reigning in its 26th chart week, Young's new No. 1 reaches the summit considerably faster than his first leader, which needed 35 weeks to reach the top. -Wade Jessen

CARRIED AWAY

With the fewest chart weeks of any top 20 title on Hot Country Songs, "Undo It," the third single from Carrie Underwood's "Play On" album, gains 3.5 million listener impressions (up 40%) and vaults 23-19 in its fifth week. Its

increased radio play and a May 7 video premiere on CMT help to nearly double its digital sales volume (23,000, up 97%, according to Nielsen SoundScan), lifting the song 22-9 on Country Digital Songs (see page 47). The song registers the biggest spike on the country digital scorecard and helps the song fly —Wade Jessen 95-73 on the Billboard Hot 100.

STATLERS RETURN

Country Music Hall of Fame honorees the Statler Brothers appear on Billboard's album charts after a lengthy absence, as two volumes of gospel songs land on the Billboard 200, Top Country Albums and Top Christian Albums, With 5,000 copies

apiece sold, according to Nielsen SoundScan, the sets bow at Nos. 16 and 17 on Country Albums, where the quartet last appeared in the summer of 1991. LAMBERT'S FIRST NO. 1

Nearly six years after she first appeared on Hot Country Songs, "Nashville Star" alum and reigning Academy of Country Music female vocalist of the year Miranda Lambert celebrates her first No. 1, replacing fellow "Star" graduate Chris Young. Up 2 million audience impressions (6%), Lambert's "The House That

Built Me" draws 34.6 million impressions during the tracking week, according to Nielsen BDS. After three weeks in the Hot Country Songs penthouse, Young's "The Man I Want to Be" is pushed to No. 2. Lambert previously had her closest call at No. 1 when "White Liar" stopped at No. 2 in February. -Wade Jessen

'FREE' FOR FIVE

On Hot Country Songs, with "Free" rising 12-10, Zac Brown Band becomes the fourth duo or group to log five top 10 songs from a debut album since the list began employing Nielsen BDS data in

1990. The song gains 1.7 million impressions (9%). Since 1990, just three other duos or groups started with five top 10s from a debut set: Dixie Chicks (in 1998-99) and Brooks & Dunn and Diamond Rio (both in 1991-92). Brown's group is the first act overall with five top 10s from a rookie album since Taylor Swift (2006). With 32,000 copies sold (up 8,000), "The Foundation" is Greatest Gainer on Top Country Albums (4-2). - Wade Jessen

PAISLEY'S 15th NO. 1

Brad Paisley completes his 15th jaunt to the Hot Country Songs summit as "Water" improves 1.7 million audience impressions (5%) and crosses the finish line with a 3-1 hop. Since Paisley's first week at No. 1-which happened when "He

Didn't Have to Be" topped the Dec. 11, 1999, chart-his total is outpaced by only Toby Keith's 16 chart-toppers. All but three of Kenny Chesney's 17 leaders were inked during that same span, placing him third since Paisley's first week at No. 1. Paisley stacked 10 consecutive leaders between March 2006 and June 2009—when he last led the list with "Then."

CHART CHANTS 'USA'

Patriotic fare dots several Billboard retail charts, including Top Country Albums, where "Now That's What I Call the USA" advances 12-7 with Greatest Gainer honors. It improves by 4,000 copies (73%) and collects Pacesetter stripes with a 72-43 leap on the Bill-

board 200. Wynonna's "Wounded Warrior" spikes 24% and jumps 31-25 on the country list. Meanwhile, Lee Greenwood's "God Bless the U.S.A." storms Country Digital Songs at No. 12 (19,000 downloads), the highest-ranking older title since the chart launched in January. Shania Twain's 1998 hit "You're Still the One" rose to No. 19 in May. - Wade Jessen

NIEMANN NETS NO. 1

Jerrod Niemann storms in at No. 1 on Top Country Albums, as "Judge Jerrod & the Hung Jury" moves 34,000 copies, also good enough for a No. 7 start on the Billboard 200. The newcomer's set ends a 24-week reign atop the country

list for Lady Antebellum's "Need You Now," which dips to No. 2 (27,000). Niemann is the first rookie to bow atop the country chart since Julianne Hough's self-titled debut blew in at No. 1 in June 2008. Lead single "Lover, Lover" moves 40,000 downloads and bullets at No. 3 on Country Digital Songs (see page 43). It also rises 7-3 on Hot Country Songs.

CARRIE'S PERFECT 10

Carrie Underwood logs her 10th No. 1 on Hot Country Songs, as her latest single, "Undo It," gains 1 million audience impressions (up 3%, 34.3 million) and steps 2-1. This marks the Oklahoman's second leader this year, following

"Temporary Home," which spent one week atop the chart in April. Underwood is now tied with Reba McEntire for the most leaders by a solo female since the chart began using Nielsen BDS data in January 1990 (see story, page 30). "Undo It" also claims a seventh week atop Country Digital Songs, where it moves 39,000 downloads.

DOUBLE 'JURY' DUTY

Following Jerrod Niemann's No. 1 start with "Judge Jerrod & the Hung Jury" on the Top Country Albums chart (July 31), lead single "Lover, Lover" gains 2.7 million audience impressions (9%) and hops 3-1 on Hot Country

Songs. Niemann is the first artist since Darius Rucker to lead both country charts with his first No. 1s—Rucker led for the first two weeks in October 2008 with the single "Don't Think I Don't Think About It" and his album "Learn to Live." Niemann's single moves 36,000 downloads and ranks at No. 4 on Country Digital Songs (see chart, page 39). —Wade Jessen

'FOUNDATION' FOUR

Zac Brown Band's "The Foundation" is the first major-label debut set to yield four No. 1s on Hot Country Songs since 1991-92 as "Free" advances 2-1 (up 2 million in audience, 6%). The track follows "Chicken Fried," "Toes" and

"Highway 20 Ride." The last debut to manage the feat was Brooks & Dunn's "Brand New Man" with "My Next Broken Heart," "Neon Moon," "Boot Scootin' Boogie" and the title track. Clint Black's 1989 album, "Killin' Time," is the only other set to have achieved the feat since Hot Country Songs began employing Nielsen BDS data in January 1990. - Wade Jessen

BETWEEN THE BULLETS

SHELTON'S FIRST NO. 1

Blake Shelton lands his first No. 1 on Top Country Albums, as "All About Tonight (EP)" opens with 33,000 copies sold (No. 6 on the Billboard 200). Previously, he peaked at No. 2 on the country list with "The Dreamer" (2003),

"Pure BS" (2007) and in March with "Hillbilly Bone (EP)." As the title track becomes his seventh No. 1 on Hot Country Songs (3-1), Shelton is one of only three acts to score more than one leader so far this year-Carrie Underwood and Zac Brown Band each have two No. 1s since January. Shelton led with "Hillbilly Bone" in March.

BIG TOWN'S BIG WEEK

It's a big week for Little Big Town. The group claims its first No. 1 on Top Country Albums, its first top 10 on Hot Country Songs in four years and its first top 10 on Country Digital Songs. The recent Country Music Assn. Award nom-

inee (for vocal group of the year) sees its "The Reason Why" open atop the albums list with 42,000, its best Nielsen Sound-Scan week. The group's best previous rank was No. 10 with "A Place to Land" in 2007. Meanwhile, LBT's "Little White Church" rises 11-10 on the airplay-based Country Songs tally; on Country Digital Songs, it skips 14-7 (22,000).

SITTIN' 'PRETTY'

Billy Currington's "Pretty Good at Drinkin' Beer" becomes the artist's third straight and fifth overall leader on Hot Country Songs (2-1), marking his quickest No. 1 climb (16 weeks). "Beer" follows "Must Be Doin' Somethin' Right" (2005), "Good Directions" (2007), "People Are Crazy" (2009) and "That's How Country Boys Roll,"

which crowned the March 20 chart. The new No. 1 introduces the artist's fourth studio album, "Enjoy Yourself," due Sept. 21. On Country Digital Songs, "Beer" moves 22,000 downloads and ranks at No. 8. -Wade Jessen

LADY 'LOVE' AT NO. 1

Up 1.9 million audience impressions, Lady Antebellum's "Our Kind of Love" becomes the trio's third consecutive No. 1 and fourth overall on Hot Country Songs, trading places with Billy Currington's "Pretty Good at Drinkin' Beer" (1-2). Lady A joins the Zac Brown Band as the only groups with at least three No. 1s from one album since Rascal

Flatts scored three from its "Me and My Gang" set in 2006-07. The Zac Brown Band logged its fourth from "The Foundation" on Hot Country Songs last month.

JAMEY JETS TO NO. 1

Renegade traditionalist country singer/songwriter Jamey Johnson lands his first No. 1 and best sales week on Top Country Albums, as "The Guitar Song" bows with 63,000 copies,

according to Nielsen SoundScan. The set also starts at No. 4 on the Billboard 200. Johnson's prior best week happened when "That Lonesome Song" (2008) moved 24,000 copies during Christmas week two years ago. The new set's lead single, "Playing the Part," rises 43-41 on Hot Country Songs (up 304,000 impressions, a gain of 26%).

BETWEEN THE BULLETS

OH 'BOYS'!

Since Kenny Chesney logged his first No. 1 on Hot Country Songs in August 1997, no one has scored more chart-toppers. He and Tim McGraw are tied with 18 apiece during that span, as "The Boys of Fall" gains 2.3 million impressions (7%) and steps 2-1. The track intro-

duces "Hemingway's Whiskey," which is aiming for No. 1 on Top Country Albums and the Billboard 200 next week. Meanwhile, Zac Brown Band's "You Get What You Give" enters at No. 1 on both lists. The group's "Knee Deep" starts with 26,000 downloads at No. 6 on Country Digital Songs. - Wade Jessen

BETWEEN THE BULLETS

VINCENT'S VICTORY

Grammy Award winner Rhonda Vincent achieves her third No. 1 on Top Bluegrass Albums with "Taken," which sells 1,000 copies (259%) and steps 2-1 with Greatest Gainer honors (4,000 copies sold, according to

Nielsen SoundScan). The second-week spurt is mostly due to venue sales and gives Vincent her first leader since "Good Thing Going" ruled for seven weeks in 2008. She also topped the list for two weeks in 2006 with "All American Bluegrass Girl." Her chart history includes three other titles that peaked at No. 2.

TURNER'S TWO-STEP

Josh Turner gets his second No. 1 this year on Hot Country Songs (his fourth overall) as "All Over Me" gains 655,000 audience impressions (2%, according to Nielsen BDS) and steps 2-1. He led for four weeks in February and March with "Why Don't We Just Dance." Turner joins the Zac

Brown Band, Billy Currington, Lady Antebellum, Blake Shelton and Carrie Underwood as the only acts with two No. 1 songs this year. Meanwhile, Toby Keith's "Bullets in the Gun" opens at No. 1 on the Billboard 200 and Top Country Albums (see story, page 41). —Wade Jessen

BETWEEN THE BULLETS

CORBIN'S ON A 'ROLL'

Easton Corbin nets his second straight leader on Hot Country Songs, as "Roll With It" steps 2-1—the first time in nearly 17 years that a previously unknown solo male artist has reached the summit with a debut single and a

follow-up track. That hasn't happened since Clay Walker did so with "What's It to You" (October 1993) and "Live Until I Die" (January 1994). Corbin's debut single, "A Little More Country Than That," topped the April 3 chart. Concurrently, Darius Rucker's second country album, "Charleston, SC 1966," opens at No. 1 on Top Country Albums and at No. 2 on the Billboard 200 (101,000 copies).

'BACK' AT NO. 1

Darius Rucker claims his fourth leader on Hot Country Songs as "Come Back Song" steps 2-1. His previous chart-toppers are "Don't Think I Don't Think About It" (2008), "It Won't Be Like This for Long" and "Alright" (both in 2009).

Another track, "History in the Making," peaked at No. 3 in March. Concurrently, Sugarland's "The Incredible Machine" starts at No. 1 on the Billboard 200 and Top Country Albums with 203,000 copies-the duo's third No. 1 on both tallies (see Over the Counter, page 77). Two songs from the new set open at Nos. 11 and 14 on Country Digital Songs.

REBA'S ON A ROLL

'Turn On the Radio" becomes Reba McEntire's 59th top 10 (12-10) on Hot Country Songs, extending her lead as the solo female artist with the most top 10s since the chart launched nearly 67 years ago. With 55 top 10s, fellow superstar Dolly Parton remains in

second place. The new track also gives McEntire her first set of three consecutive top 10s since 1998-99. She spent four weeks at No. 1 with "Consider Me Gone" last winter and peaked at No. 7 with "I Keep On Loving You" in July. Her first top 10 was "(You Lift Me) Up to Heaven" in 1980. —Wade Jessen

'PARTY' HEARTY

Jason Aldean's "My Kinda Party" notches his best Nielsen SoundScan week and the best first week by a male artist on Top Country Albums in more than three years. It starts at No. 2 on the country chart and the Billboard 200 with 193,000 copies. Aldean's previous best was the debut

of "Wide Open" with 109,000 on the April 25, 2009, chart. The new title is the best debut by a solo male act since Kenny Chesney's "Just Who I Am: Poets & Pirates" bowed with 387,000 on the Sept. 29, 2007, chart. The title track from "Party" is Aldean's 10th top 10 on Hot Country Songs (12-10).

BAND PERRY IS TOPS

The Band Perry doubles up on its first Billboard chart-topper, as "If I Die Young" runs 3-1 on Hot Country Songs and shifts 2-1 on Country Digital Songs (see page 83). It's the second single from the sibling trio's self-titled debut

album (No. 9 on Top Country Albums). Lead track "Hip to My Heart" peaked at No. 20 in May on Hot Country Songs. The new track moves 58,000 downloads for total sales exceeding 1 million, according to Nielsen SoundScan. The only other groups to reach the Hot Country Songs summit this year are Lady Antebellum and the Zac Brown Band.

BETWEEN THE BULLETS

RASCAL'S BIG NO. 1

With the group's 11th overall leader, Rascal Flatts claims its first No. 1 single in more than 19 months as its Big Machine debut, "Why Wait," surges 4-1 on Hot Country Songs.

The act most recently topped the audience-driven radio list with "Here Comes Goodbye"—

the lead single from its final Lyric Street studio album, "Unstoppable"—in April 2009. The trio has the most No. 1s by any group in the Nielsen BDS era (since January 1990), followed by Lonestar's nine leaders during that span.
